**Mellow Marsh Software Billing Policy**

- All packages are billed for in advance. This means your first bill will include 2 months of payments
- If you exceed your quota in a month, you will automatically be billed, without warning, at £1.50 per gigabyte, which will be added on to the next month's bill
- If you cancel your service, any outstanding debts (e.g. over-quota bill payments) will be billed separately
- If you fail to pay your bill, your service will be suspended. Upon receipt of the payment, it may take 24 hours to un-suspend your account
